Final Results

Congratulations to Andrew McCain for winning his first CVGA Open Division title. Andrew played an extremely solid round of five under par 67 and was never significantly challenged. The standout golfer is a 2-time MN State Open Champion, among his many golf accomplishments. Congrats on the big win and he can add CVGA Champion to his impressive resume!

Finishing runner-up was recently graduated University of MN golfer Bennett Swavely. The 3-time CVGA Open Champion played a great round that would normally have won the top prize. The recently turned professional will cash his first of many paydays on the CVGA Tour!

Tied for third was Erik Toftner and Joel Johnson with 70's, and Don Berry and defending champion Ralph Baxley had great showings with 71's. Skins went to Henry Hawk with an eagle on # 4 and George Smith with an eagle on 16.

Congratulations to Joel Johnson for making the rarest of all scores with an albatross on the par five 11th hole today. Let this be a lesson to all of you to get in the skins game in the future events!

117 golfers competed on a beautiful day at New Richmond and special thanks go out to Nate, Zach, and all of the staff for hosting such a great event to kick-off the CVGA Season.

As a reminder, all Amateur winnings must be spent at the hosting golf course, and I have the pro cash and skin money with me. Please contact me via email to arrange Venmo @ cvgatour@gmail.com.

The CVGA's next stop is at Wild Ridge on Sunday June 1st.
